Let it be known to all persons of the City of Plattsburgh that discrimination on the basis of race, color, religion, gender or national origin in the sale, rental, leasing or financing of housing or land to be used for construction of housing or in the provision of brokerage services is prohibited by Title VIII of the 1968 Civil Rights Act (Federal Fair Housing Law). The Fair Housing Amendments Act of 1988 expands coverage to include disabled persons and families with children. Therefore, the City does hereby pass the following Resolution.

RESOLVED that within available resources the City will assist all persons who feel they have been discriminated against because of race, color, religion, gender, national origin, disability or familial status to seek equity under federal and state laws by referring them to the City's Fair Housing Officer.

RESOLVED that the City shall publicize this Resolution and through this publicity shall encourage owners of real estate, developers, and builders to become aware of their respective responsibilities and rights under the Federal Fair Housing Law and amendments and any applicable state or local laws or ordinances.
